

Dearest Brothers and Sisters in Christ,

We pray that you are having a spiritually uplifting Holy Week. Last year the churches were closed, and no one could attend the divine services of this most blessed of weeks. This year, as you know, we are open with limited capacity. We are very happy that the faithful can attend the services. **We want you to know that even though the church itself has space limitations we will be able to accommodate anyone who wishes to attend any of the services even if they are not registered.** The parish council has

made provisions weather permitting, for everyone to gather, socially distanced, in front of the church and chairs will be provided for those who need them. A monitor for everyone to see will be set up and the services will be heard as well. The faithful will be able to come into church, light their candles and kiss the EPITAPHIOS.

If there is bad weather and we cannot gather in front of the church, then the gym has been set up and movie theater size screen has been provided for those who wish to participate but cannot be in the church itself.

We are doing our best to provide you with the best most spiritually uplifting experience during this Holy Week. We pray that you and your family are healthy and able to join us in person or virtually as we sing the ENGOMIA, worship at the Divine Liturgy and proclaim our Lord's Glorious Resurrection.

Lastly, if you wish to follow the services word for word as they are chanted there is an app which contains all of services. You can find it by going to the App Store and searching "**Ages DCS**", and it should come up. Services may be viewed virtually on Facebook through the Saint Andrew Randolph Group page or on our parish website www.standrewgonj.org and click livestream for the live broadcast.

Kali Anastasi! We wish you a Blessed Resurrection!
